

Equipment Typically Needed After Surgery

Please note: OrthoSC does not endorse any listed services and cannot guarantee the quality of any services rendered.

Effective January 1, 2021, CMS (Medicare) no longer covers equipment often needed after surgery such as a walker, raised toilet seat (often called a bedside commode), cane or cold therapy machine. Before your surgery, you will want to borrow or purchase everything you'll need after surgery.

Walker, Raised Toilet Seat, Cane can typically be purchased through:

- Most pharmacies
- Retail stores that have a pharmacy. They typically carry these items near the Pharmacy section
- Most grocery stores that have a pharmacy; usually limited to straight canes, usually stocked near the Pharmacy
- Your favorite online store
- Community groups such as HOA's, civic groups or churches may have information on equipment available to borrow
- The Store
